All of the proceeds from this tournament will go to support the Community Christian School in Westfield, MA. This is a school that's committed to raising up a generation of young people in the knowledge of God. They promote a Christ-like attitude in the school in its learning environment and encourage the development of positive Christian relationships among its students. This school really is a work of God founded upon a God-given vision, prayer and strengthened by the hand of God upon it.

## **Why should I help?**

Christian education is something that's vital for young people, especially during such important years of their lives. Being taught a Biblical foundation and taught with a Christian worldview is something you simply can't put a price tag on. But the only way that this will work is through a community of churches banding together to help support this important work of God. You've seen the impact on some of the young people that attend your own church, so you know the importance of this work to continue.

Please prayerfully consider joining us as we stand together with CCS and this important work in the Pioneer Valley!

## **How can you help?**

As a Christian school, all funds necessary to operate the school, from the supplies to building maintenance to teacher's salaries, must come from tuition and fundraising. To help take the some of the burden off of the parents, we're partnering with CCS to help raise some funds for the upcoming school year.

All of the proceeds generated from this golf tournament will be donated to CCS. There are plenty of opportunities to donate towards this event:

- Participate in the golf tournament

- Join us for dinner after the tournament if you're a non-golfer
- Send in a donation that will be given to CCS that night

***Participate in the golf tournament:***

Assemble a foursome to compete in this year's tournament. We'll have a great time in the scramble format with some great prizes going to the winning teams and to the golfer that hits the longest drive and puts the ball closest to the pin. The fee for the golf tournament also includes dinner that evening.

***Join us for dinner:***

If you're not a golfer, please join us for a great dinner at Word of Grace Church served by some of the students that attend CCS. We'll also have a presentation given by the head of the school and some live music.

***Send in a donation:***

Individuals can feel free to send in tax-deductible donations to Word of Grace Church which will be added to the proceeds generated from the golf tournament and dinner.

We're also looking for churches to join us as we make a donation from our church to the school. We will provide you with what you need to have a special video presentation and/or a member of the CCS staff attend your church on a Sunday morning to share the vision of the school with your congregation. What we plan to do here at our church is take a special door offering that day to benefit the school with our church matching the first \$500 that's donated. We encourage you to do the same and send the proceeds to Word of Grace so that they can be added to the check that will be presented at dinner the night of the tournament. Each church/individual that donates to the church will be listed and thanked for their support during the presentation.

**Please join us as we put the “Body of Christ” in action by supporting this great work of God.**
